

# ROLE PLAY SCENARIOS

---

## Scenario 1 – [Classroom] Assignment

Navigator **Teacher**

Waves **Student**

A student challenges grading publicly: *“This assignment wasn’t clear, and a lot of us didn’t know what you wanted.”*

---

## Scenario 2 – Implementation Pressure: Initiative Overload

Navigator **Administrator presenting initiatives**

Waves **Teacher feeling overwhelmed**

During a professional learning day, a teacher says: *“We’re being asked to implement new curriculum, new grading practices, and new data protocols at the same time. Something has to give.”* A colleague responds: *“But we’re being told all of it is non-negotiable.”* Several people begin talking at once.

Navigator responds

Waves create tension

Lifeguard observes

1. Enact Below the Line. A purple character with lightning bolts above its head, looking stressed.

2. Pause. An hourglass icon.

3. Replay Above the Line. A blue character with a hand on its chin, looking thoughtful.

4. Notice the mind & body Above the Line. A blue character in a meditative pose with eyes closed.
